MONARCH

N. A. MORRISON

Abraham Lincoln High School

Presents

Monarch
1966

To a Dedicated Man . . .

To Mr. Cox, whose warmth and friendliness has enlightened many students through the years, we dedicate the 1966 Monarch.

After helping to build Abraham Lincoln High School and its athletic fields, Mr. Cox in 1942, began coaching champions from the newly formed football and track teams. He coached Lincoln's athletes with a motto, "If you play fairly you will always excel, whether winning or losing." He has used his dynamic but easygoing personality throughout the years at Lincoln and has carried it into his Geometry classes.

However, we do not consider Mr. Cox as only a teacher and coach but also as a friend.

Surely, we will always remember his happiness, friendliness, and deep concern for the students. No matter how pre-occupied he is he always finds an extra minute for someone who wishes to speak with him.

We will never forget to "Saddle Our Horses, and Canter Away Happily Towards Other Adventures" because of you, Mr. Cox.

MRS. MECKFESSEL
Principal

As you look through the pages of your Monarch in the years to come, may it bring back memories of the happiest days of your life. May it serve to recall the spirit, the traditions and the achievements of your school. May it strengthen your pride in its scholarship, your devotion to its ideals and your dedication to our democratic way of life.

Koylio, situated on the western coast of Finland, is a small farming community. It is surrounded by other small farming and industrial communities.

The climate in Finland is the typical four seasons. We have three months of sunny summer, three months of rainy and dark autumn, three months of snow laden winter and three months of Spring, when everything once again comes alive.

In Finland we must go to school at the age of seven and continue with our education until we are fourteen or fifteen. After that, we have the choice of going on to a higher level of schooling, going to a trades school, or discontinuing our education. We go to school six days a week, but we receive more vacations, so that the total amount of school days is about equal to the school days here in the United States.

Even though there are many differences between the United States and Finland the people are much the same.

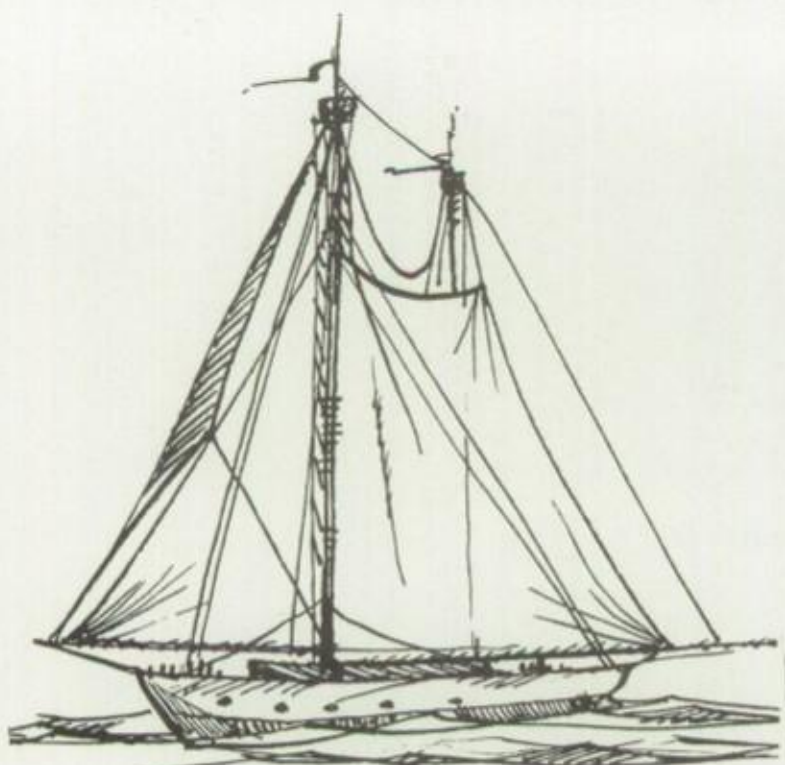

Anneli and her American sister Linda Andrews.

Dan Hammer A.F.S. Student to Greece

After spending ten days barely afloat with 730 other American Field Service Students on the S.S. Seven Seas, I found myself in Nea Filothei, a suburb of Athens, Greece. The people were boisterous, forward, and friendly, and it was not too difficult to adjust to the Greek way of life. This consisted of lots of food, drink, sleep and swimming. In addition I got a chance to see the wonders of classical Greece and the beauty of this everlasting land.

Jan Furstenborg

Jan Furstenborg *A. F. S. Student* *from Finland*

This year, I have had the privilege to attend Abraham Lincoln High School—to be one of the "Lions." It is a year I will never forget. The Lion spirit creates, in this school, such a special atmosphere, that it makes it a real pleasure to attend this school.

I am very grateful to the American Field Service, to Abraham Lincoln High School and to the various people and organizations that have made my stay here possible, and last but not least, to my American family, Mr. and Mrs. King and Howard. They graciously adopted me as another son and brother, for this year. I would also like to thank all my friends, the Lincoln students, for taking part in making this year the most memorable of my life.

Of great events stride on before the events,
And in today already walks
tomorrow.

"Footstompin' Dogpatch Style" served as the theme for the annual dance. The binding knot of "matrimony" was performed by Marryin' Sam, Terry Piepgras. Mural pictures of couples were taken by Bill Drake and Rich Urrutia.

Big Bone

Our Big Bone queen this year was Donna Gorham. Judy Reynolds and Gail Cirello were her princesses. The ball was held in the San Jose High School gym on November 24th. It was the start of the Bone Activities. Following, the next day was the annual game, where we proved that Lincoln is the "Home of the Bone."

This year's Varsity Football team ended league competition with a record of five wins, one loss, and three ties. This year's team had a very successful season with one of the finest defensive squads in the Central Coast. The *Mercury-News* was quoted as saying, "Lincoln's defense is second only to Bellarmine Prep in the Peninsula." Even though the Lions took third they had eight players placed on the MHAL All-League team.

Doug Brehm and tough Lion defense stops Willow Glen inches from the first down.

Bob Seeger takes pass for a T.D.

Mr. Howard, in a calm moment, plans strategy.

This year Lincoln combined a running and passing attack to give the Lions a balanced game. Bob Seeger (first team All-League and Honorable Mention All-Central-Coast) led the Lions in receptions with 24 and the team scoring with 36 points. Lincoln's offensive line was exceptional with Tackle Doug Brehm and End Bob Keethler named to the MHAL first team All-League, and Center Tony Butero named to the second All-League team. Lincoln's defense was highly praised by the Peninsula newspapers and by

all of their opponents. In nine games, the Lions gave up only 65 pts. for a 7.2 ave. per game. Defensive halfback Mike Garvey, and defensive signal caller Tony Bova were both named to the All-League second team. Tim Cooper and Gene Weitzel were named on the Honorable Mention All-League team.

Garvey intercepts W.G. pass and makes long gain.

Cooper and Guido exchange clean, crisp embrace.

Lions put heavy rush on punter.

Big Bone Game

WHO'S WHO? Lions' muddy defense stops San Jose ball carrier.

Howard King (27) nearly blocks punt.

Three muddy Lions wait on sidelines.

Bob Seeger (11) takes on Bulldog.

The 1965 Big Bone Game was slow moving as both teams slogged through the thick mud, but still it was exciting. The Bulldogs scored first on an interception thrown by Lion quarterback, Ken Escobar. The Lions roared back early in the fourth quarter, as Jim Guido took a 15-yard pass and romped the remaining 30 yards for the Lions' first six points, thus tying the score. Once again the Bulldogs took the lead, 12-6, on a quarterback sneak. But the mighty Lions, on another tremendous effort by Jim Guido and blocking by R. Nakamoto and H. Kolte, powered their way to a 12-12 tie at the final sound of the gun.

THE BONE STAYED HOME.

Bob Seeger sweeps right end.

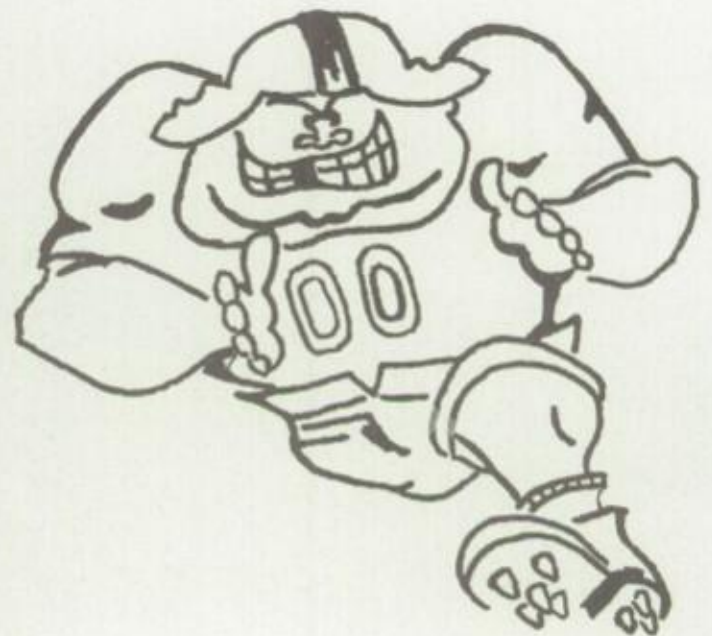

Roy Nakamoto eludes tackler and breaks for a long gain against Overfelt.

Bob Seeger takes a short pass against San Jose Bulldogs.

Jim Guido follows blocker for a short gain against Samuel Ayer.

Roy runs slant play for a touchdown against Mt. Pleasant.

Jim Guido carries two tacklers for extra yardage.

Runners: K. Madeiros, J. Moran, J. Hostler, C. Marak, J. Orozco, A. Orozco, S. Racina.

Cross Country

Runners: A. Gomez, R. Sissenstein, T. Schneickert, P. Baker.

The Cross Country Season was short but successful. The team started out slow but became a real power by closing season. Lincoln was well represented by its determination to compete, and to win. Final season results show several first place finishes against tough competition. In the League finals, Lincoln led the race, only to fall behind in the last quarter mile. The team's over-all standing in league competition was fourth. "Next year we'll be first."

Coach Richards, M. Sweet, G. Carlson, L. Sgattoni, F. Apodaca, P. Payer, D. Baggesse, E. Robledo, G. Letts.

The Lincoln C team finished in second place, with a won and loss record of 7 and 2, for the second straight year. One of the highlights of the season, for the C's, was the game against the Willow Glen Rams. The C's racked up a total of 70 points before the horn sounded. The real highlight of the C's is Fred Apodaca. Fred has done many things this season to deserve a chance at the varsity team next year. The D's did not have a very successful season like the C's, but there are a few highlights that their 2 and 7 record does not show. For instance, our last game, our smallest D, Max Bloom, scored his first points of the season, not to mention John McKee's 16 point game against Willow Glen.

Nakamoto gets jump for D's.

Varsity Waterpolo

Coach Brinck

This year, Lincoln's Varsity Waterpolo team ended league competition with a record of eight wins and six losses. Lincoln scored 177 points during league play, while giving up only 116, which gave them the third best defensive average in the league. Ken Errington was rated as the third best goalie in the MHAL. Four Lincoln players were picked to the MHAL All League teams. Mike Martin and Dan Kocal made the first team, as Dan was the sixth highest scorer in the league, and Mike was the eighth. John Kennedy was the seventh highest scorer while making the second All League team. Since taking over waterpolo last year, Mr. Brinck has had a second and fourth place.

The Abraham Lincoln High School Varsity Basketball team completed its most successful season in the twenty-two year history of the school. Rated as the number 1 team in Northern California, it was the only undefeated team in the state, finishing the regular season with an 18-0 league record and a 23-0 overall record. The Lions also won the Camellia Tournament of Champions in Sacramento extending their record to 26-0 and followed this with a victory in the Peninsula Basketball Tournament at Stanford to complete a perfect 29-0 season, the best in the state. In early season play the James Lick Tournament Crown also went to the Lions for the second straight year. This season's accomplishments thus extends Lincoln's domination of the Mt. Hamilton Athletic League to four years during which time it has compiled a 52-3 league record and an 83-9 regular season record.

Soph Champions

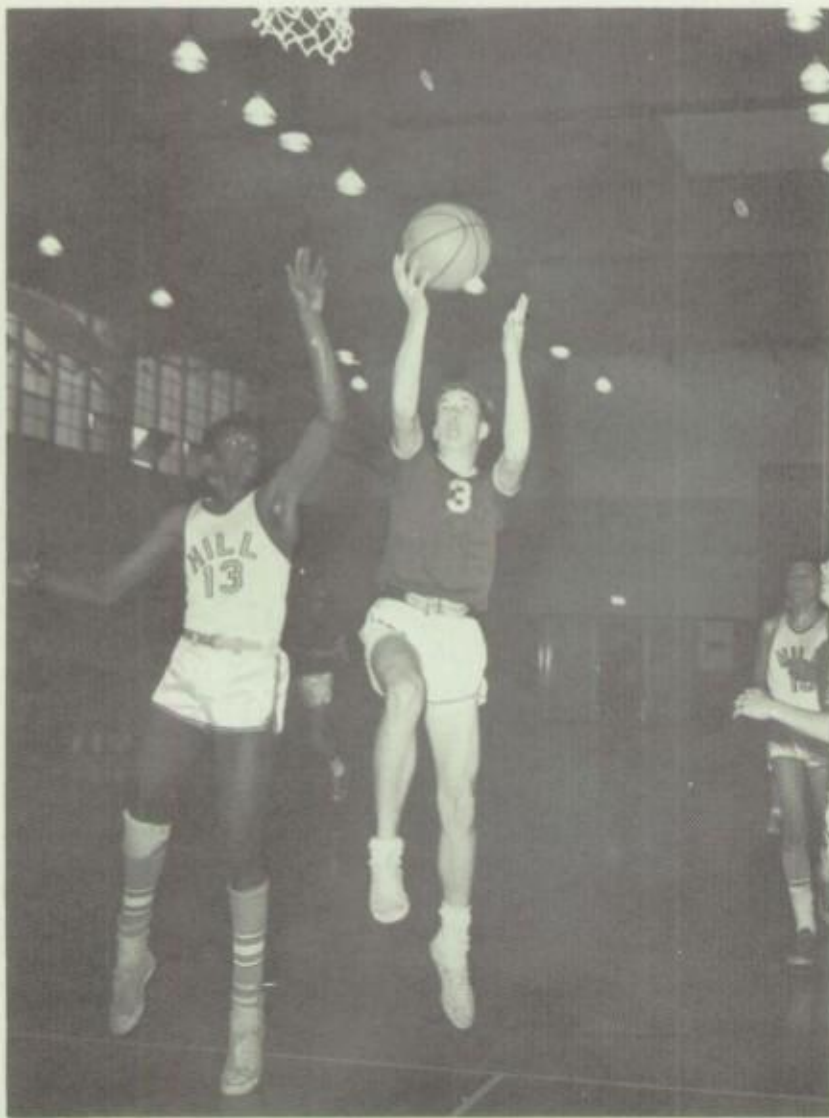

Lincoln's sophomore basketball team, for the second straight year, brought home a league title. The sophs were tied with Overfelt for first place even though they beat the Royals in league play. Leading the Sophomores' attack were team captain Danny Walker and sharp shooting guard Rich Arioto. Walker ended the season with a 12.5 average while Arioto starting only the last part of the season finished with a seven point average. The Lions were strong on the boards with the rebounding of Ted Fihe and Gordy Ciochon. These boys will all move up to the Varsity next year and should all be a real strength to next year's team.

This year's Lincoln wrestling team finished in a tough league with a 4-6 record in dual meet competition. In the league finals four Lion wrestlers placed; Tony Espinoza (3rd place), Mario Diaz (2nd place), Gary Huante (2nd place), and Rod Linquist (1st place). Rod Linquist

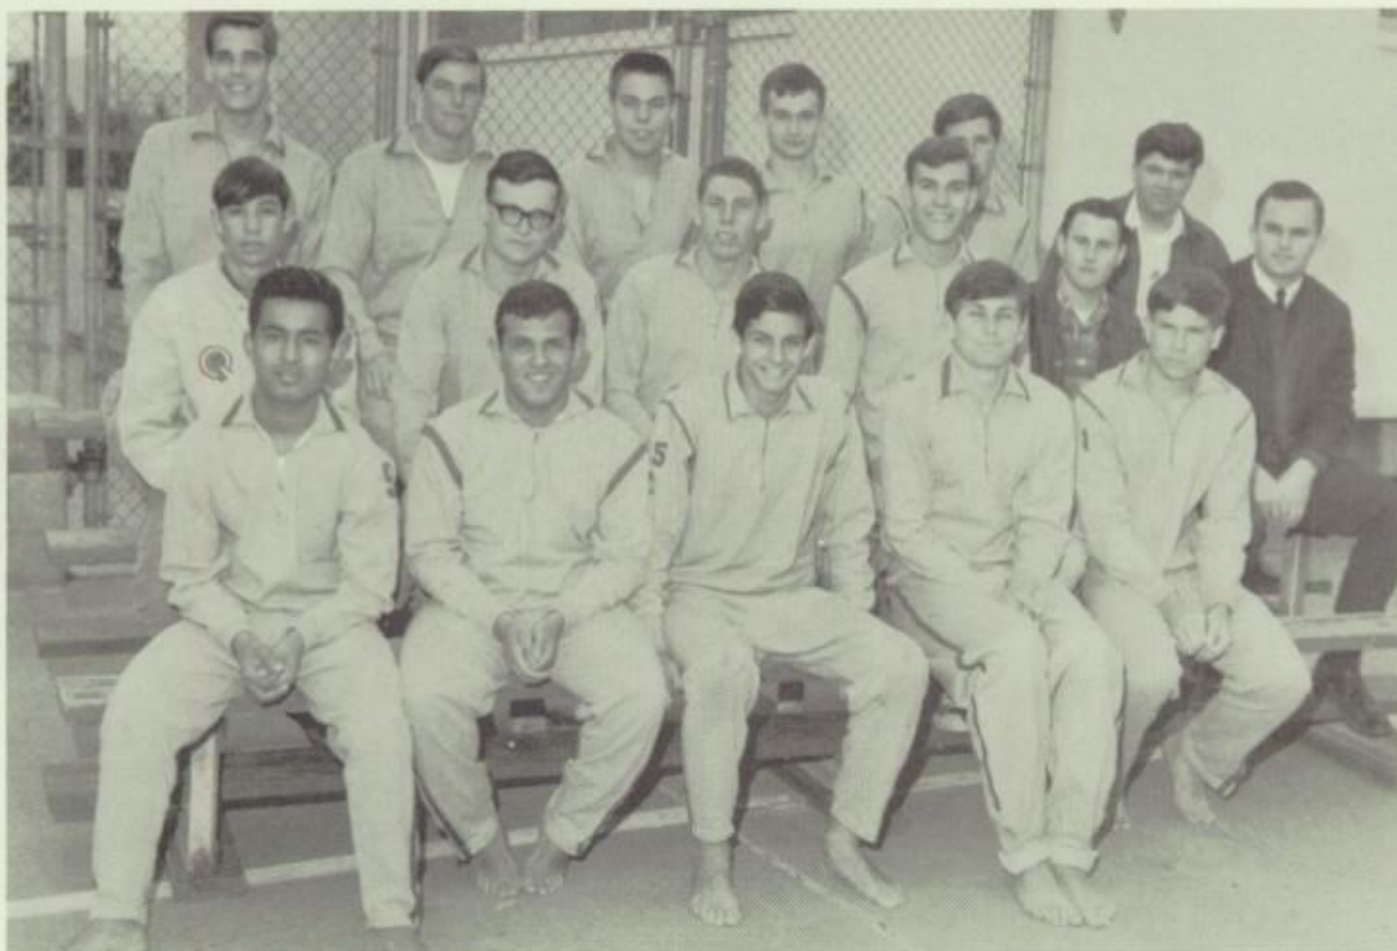

was the only Lincoln grappler that went undefeated. Lincoln wrestling coach, Sal Cesario said he was optimistic about next year with eight returning lettermen; four of those being League Finalists.

The Lions, returning to the Camellia Tournament, took the championship after a second place finish in last year's classic. The Lions beat Ygnacio Valley with relative ease on the first night but met probably the toughest opponent of the year in Bella Vista of Sacramento in the semi-final contest. The Lions beat Bella Vista in a tough contest and moved into the finals Saturday night against Highlands of Sacramento. The Lions again fought another fierce battle and became the 1966 Camellia Tournament Champions. Ralph Ogden and Nick Rodriguez were named to the all-tourney team with Ralph being the only returning all-tourney selection from last year. The Camellia Tournament presented by far the toughest basketball opponents of the year, but the Lions showed the great poise and confidence which made them the number one team in Northern California.

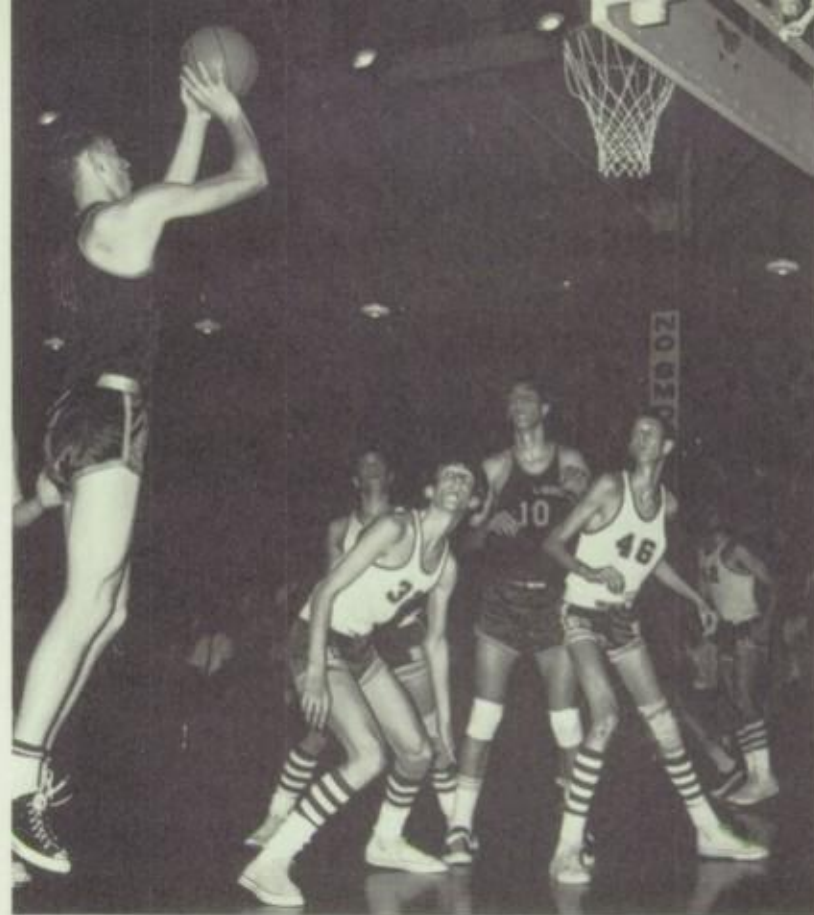

The following weekend, the Lions found themselves, for the fourth straight year, back at the P.B.T. at Stanford. Highly favored, with the only perfect record in California of 26-0, the Lions cracked the Acorns of Live Oak in the first round. Friday night's semi-final round opponents from Hillsdale were overcome by the Lions. In the championship round Saturday night, the Lions faced their toughest opponents of the P.B.T. Trying hard to preserve the undefeated record and break the record set by Camden in 1956 of 28-0 wins, the Lions beat the San Carlos Dons and took home the P.B.T. title along with the consecutive win record of 29-0. To end a thrilling tournament and a perfect year, the Lions placed three outstanding seniors on the all-tournament team, Ralph Ogden, Jim Frazee, and Nick Rodriguez.
